

Dear Stakeholder,

Wilton Public Schools requests your feedback on the proposed allocations for ESSER III funding. ESSER is part of government pandemic relief measures and stands for Elementary and Secondary Emergency Relief Fund.

An explanation of expenditures may be found below. Once reviewed please provide feedback by clicking on the link. <https://tinyurl.com/uwh8c9wv>

Total ESSER III Funds: \$292,119.00

20% of ESSER III funds shall be apportioned to learning loss as required.

- 20% = \$58,423.80
- These funds will be used for the increase in staffing. We have hired three new teachers to decrease student to staff ratio. Therefore creating smaller groups and increasing one-on-one opportunities.

80% of ESSER III funds may be spent in a manner that follows guidance (<https://tinyurl.com/nu9epst9>).

- 80% = \$233,695.20
- Purchase of additional property for school parking lot. The current portables are taking up parking behind the school.
- Adding AC unit in the gymnasium for better air flow.

Thanks in advance for your input!
